S.T.H. NEWS

By

PAUL ABBINANTE

In the W.W.F. Pat Patterson is holding onto his recently won Inter-Continental heavyweight Championship Patterson won the title in a tournament held in Rio de Janeiro, Brazil, South America. Patterson is feuding with both W.W.F. Champion Bob Backlund and former W.W.F. North American Heavyweight Champion Ted DiBiase. These wild battles have taken place all over the W.W.F. area. DiBiase is unable to get a clear cut victory over Patterson. Patterson has beaten DiBiase a number of times. Jay Strongbow and Greg Valentine are still engaged in a fierce war throughout the W.W.F. area. The same holds true for Powerhouses Bruno Sammartino and Nikolai Volkoff who are holding their own heated rivalry.

Ron Starr recently won the Central States title from Bob Sweetan. Starr and Sweetan are engaged in a bitter struggle for the Central States Title.

Terry Funk is now the proud holder of the Floria Championship, by winning a tournament held in Orlando, Florida on September 2, 1979. Terry Funk is now feuding, in Florida, with Dusty Rhodes and Sweet Brown Sugar. Terry Funk also has been in some Tag Bouts with partners, Bugsy McGraw and Killer Kahn.

In recent action in Houston, Texas, Mark Lewin and Bruiser Brody have had some bloody encounters over the Brass Knucks Title. Also in the same City, Gino Hernandez is now being billed as Gorgeous Gino, since he now has blond hair. Gino has given his good friend El Gran Markus his Caribean Title. Kevin, David and Kerry Von Erich are also doing very well in competition. Also seeing action in Houston, Texas are El Halcon, Les Thornton, Tor Kamata, Killer Brooks and The Spoiler.

King Kong Brody is still the W.W.A. World Champion, by turning back any challenge.

Verne Gagne and Mad Dog Vachon are once again The A.W.A. World Tag Champions. The A.W.A. officials stripped Bobby Duncum and Stan Hansen of the titles because they pinned the wrong man!

(continued)

In the Mid-Atlantic area on September 1, 1979, In Charlotte, North Carolina, Jimmy Snuka won a tournament, to become the new U.S. Heavyweight Champion. On September 14, 1979, Jim Brunzell beat Ken Patera for the Mid-Atlantic Championship in Richmond, Virginia.

We hope Tommy & Eddie Gilbert have recovered from a recent auto accident, that occurred on their way to a wrestling card in Tupelo, Mississippi.

We heartily wish correspondent, Terry Justice a speedy recovery from a recent illness and hope he will return to action soon.

UNTIL OUR NEXT ISSUE . . . . . .
